

19th July 2021

Dear student,

I am delighted to be preparing to welcome students into year 12 in September. We were very sorry not to meet students in person during our Taster Days, but hope they were able to learn more about our sixth form and the subjects they are interested in studying from our videos and activities. For anyone who missed out, all our taster day material can be found on the Apply tab of our website: <https://www.bluecoatsixthform.co.uk/apply/2021-taster-days/>

Our sixth form enrolment days will take place on 12th and 13th August. Please ensure you know the time slot you have been given to collect your results on 12th August. There will be sixth form staff present to enrol you into the sixth form at Bluecoat Wollaton Academy.

Enrolment into the sixth form requires completion of three stages:

1. Confirming student details
2. Updating your application
3. Meeting with/speaking to a member of the sixth form team.

Details about these stages can be found below:

1. Confirming student details

Ahead of GCSE results day, you will be called by the sixth form admin team. During this phone call, you will be asked to confirm your personal details, parental details and medical details. To prepare for this phone call, it is a good idea to have the mobile number and email addresses of your parental contacts and the address and telephone number of your GP.

If you need to provide us with a different telephone number, please update this on your application or email us at baasixthformadmissions@bluecoat.uk.com.

2. Updating your application

Once you have received your exam results, please head to IT05 at Bluecoat Wollaton Academy on 12th August where you will be supported in logging back in to your application to confirm your details, change your predicted grades to achieved grades and finalise your course selection. There will be members of SLT to guide you on the day.

3. Meet with a member of the sixth form team

Once stage 1 and 2 are complete, you will meet with a member of our sixth form team. This is your opportunity to receive guidance on course choices and ask any questions you may have. At the end of your meeting the sixth form team member will confirm that you are now enrolled onto your selected courses and will explain the next steps.

You will then receive an email with a number of important documents that you will need to have read and understood before our year 12 welcome week which will begin on 6th September the Albert Hall in Nottingham city centre. More details will be shared about this once you have enrolled.

And then your journey at Bluecoat Sixth Form can begin!

The Sixth Form team are so looking forward to warmly welcoming you into our sixth form and to supporting you in achieving your aspirations.

Yours faithfully,

A handwritten signature in black ink, appearing to read 'A Wood', followed by a small dot.
